

Tidbury Green Parish Council

Internal Audit Report for the Financial Year ending 31st March 2022.

The Accounts and Audit Arrangements introduced from 1st April 2002 (lighter touch audit) requires all Town and Parish Councils to implement an independent internal audit examination of their Accounts and Accounting processes annually. The Council have complied with the requirements in terms of independence by the Council decision making process by appointing Eleanor Choudry to undertake the work for 2021/22.

This visit is to check that the Parish Council adhere to the requirements set out in the Governance and Accountability for Smaller Authorities in England ensuring that compliance is maintained. The audit concluded on the 20th May 2022.

An Internal Audit testing strategy is set out in the current Governance and Accountability for Smaller Authorities in England appendix 5. This covers a "suggested approach to internal audit testing" covering 10 aspects ranging from Proper bookkeeping right through to Year-end procedures. Our Internal Audit testing is based on this approach.

My initial discussion with the Parish Clerk established any system or procedure changes to the internal controls from the previous period.
