

# EARLSWOOD 'SPRINGWATCH' SATURDAY 13<sup>TH</sup> MAY

The Earlswood Wildlife Partnership, in partnership with Warwickshire Wildlife Trust and The Canal & River Trust, invite everyone, who would like to discover more about the local wildlife and the signs of spring, to join them for Earlswood 'Springwatch' near Clowes Wood, Warwickshire. This will be the 3<sup>rd</sup> event, drawing in more visitors each year.

There is no admission charge. The venue is the Log Cabin camping ground, Wood Lane, Earlswood B94 5JP, with free parking on site, a large marquee, classroom, tents, the field and woodland. Sorry, but this event is unsuitable for dogs.

The drop-in event is open between 10 am & 4 pm on Saturday 13<sup>th</sup> May. You will need to bring your curiosity and, should you wish to go, suitable footwear for woodland walks on uneven and muddy paths! Donations will happily be accepted to cover

the costs of funding the event.

There will be static displays from local wildlife groups, guided walks led by experts, a self-guided marked woodland trail, practical demonstrations and activities – including falconry, animal handling, nest box building and more, with short family walks and craft activities for children. Light refreshments will be on sale

all day.
